

WIRE SCULPTURE

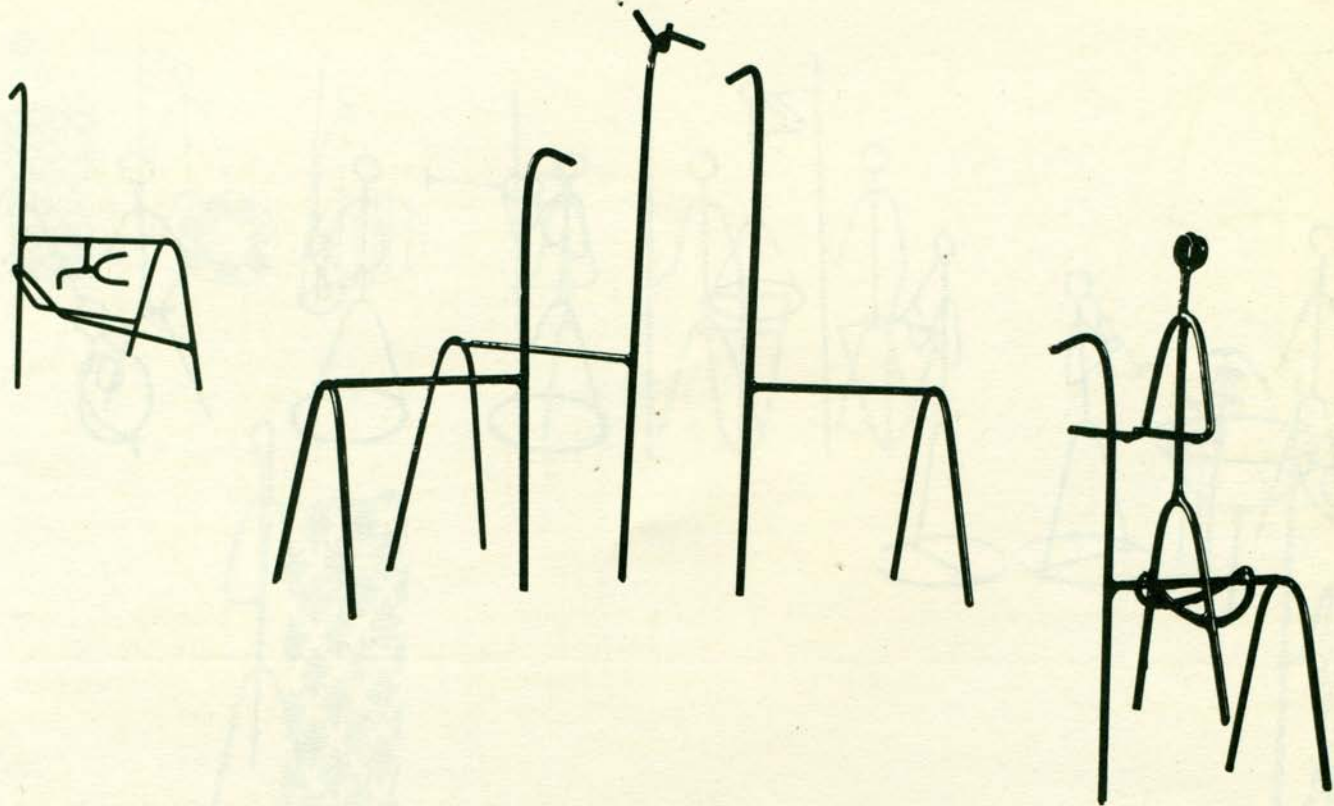

Generally speaking, these are original pieces of wire sculpture. In certain categories, such as animals, warriors, musicians, birds, and some of the fish, the designs are loosely duplicated; thus I group of them under the **HANDMADE** label. They are made of $\frac{1}{8}$ " steel rod, hand formed and brazed. All prices quoted are retail. With the exception of the "Hand-mades" all prices and sizes are approximate. Please do not expect to get the exact item you see illustrated herein. There is a similarity among certain lines and selection must be left to my discretion. For special designs please consult before ordering to avoid confusion and delay.

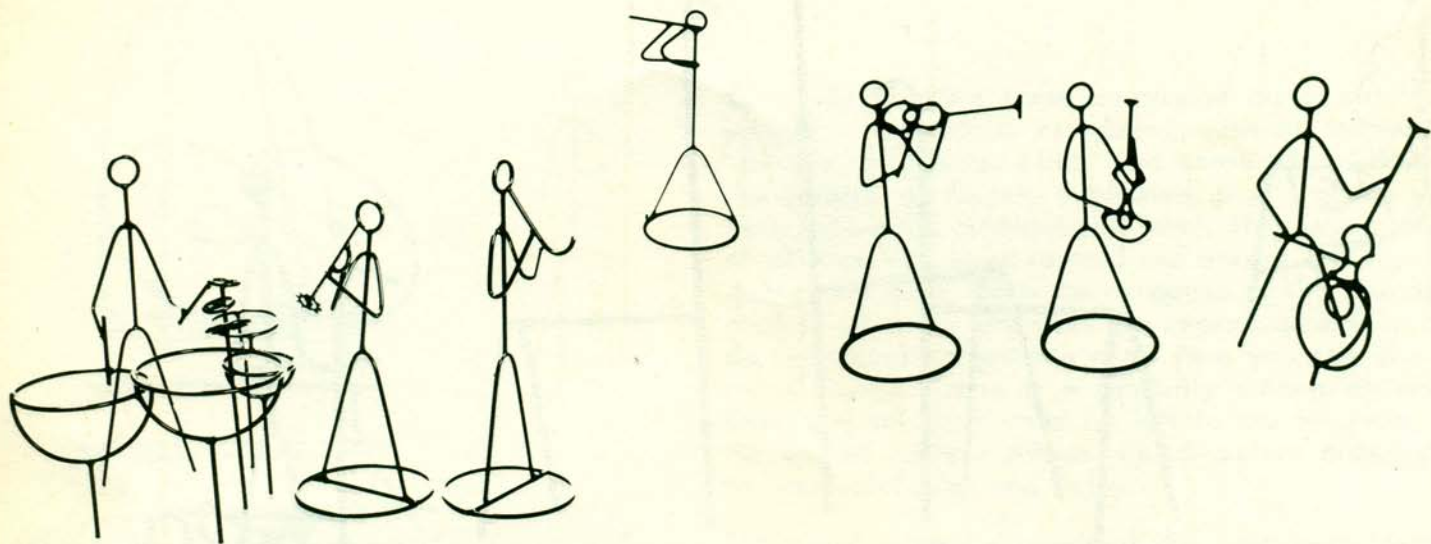

The prices quoted throughout this fearsomely contemporary booklet are retail. 50% discount given; cash in thirty days. 2% if paid in ten. All sculpture is painted mat black; special paint jobs arranged reluctantly.

Also available, in limited quantities or on special order: mobiles, greeting card and fabric designs, candelabra, and jewelry.
